Dear Kerem, Yasemin, and the entire Figur Team,

On behalf of the entire Atlantic Council team, we would like to express our sincerest gratitude for your team's dedication, hard work and creativity for the past two Atlantic Council Energy & Economic Summits held in Istanbul.

Figur is a world-class operation with the highest attention to detail. Despite our many demands and changes, Figur maintains a level of excellence, a calm and pleasant demeanor, and top-notch customer service. Figur helped create an incredible experience for all of our guests, and a seamless operational experience for the Atlantic Council team. Figur production value and professionalism places them as one of our best partners among the dozens we work with across the globe.

The significant contributions from Figur were instrumental to the success of the Atlantic Council Energy & Economic Summit; where we host dozens of country delegations, ministers, and heads of state to foster and strengthen transatlantic engagement on energy, economic, and political challenges. It is an absolute pleasure to work with you and your team, and we look forward to continuing this relationship for Summits to come.

Warmest Regards,

Julie Varghese
